

New York State Communication Association 2011 Annual Conference
October 21-23, 2011

Developing Deeper Connections with Digital Portfolios: Connecting and Collaborating with the Professional World

Participants: Brad Crownover, College of Mount Saint Vincent
Ari Kissiloff, Ithaca College
Roxanne M. O'Connell, Roger Williams University
Doug Strahler, Duquesne University/Slippery Rock University
Valerie Swarts, Slippery Rock University

Chair: Valerie Swarts, Slippery Rock University

Format: Roundtable/Interactive Discussion

Rationale: This informal roundtable panel will explore best practices in creating digital portfolios, issues surrounding portfolios being constructed in digital environments, and the value of collaborating with the professional world about content and design of digital portfolios.

Statement of Professional Responsibility:

In submitting this proposal, we recognize this submission is a professional responsibility. We agree to present this panel if it is accepted and programmed. We further recognize that all who attend or present at NYSCA's annual meeting must register and pay required fees.
